**A**T the desire of several Persons of the first Character and Rank in this country, this List hath been collected and published.

But as it is impossible to attain to perfection in the first attempt, notice of any errors, or any alterations, will at all times be very thankfully received by the Publisher; who begs leave to solicit the assistance of every Gentleman, in the several Corps, as the surest means of keeping a List of this kind correct.

*August 10, 1778.*

[*Entered at Stationers Hall.*]

NO rank being established for the several corps of Militia, it was this year settled by drawing lots; and made public by the following advertisement in the London Gazette.

London, June 1, 1778.

At a meeting of the Lord Lieutenants of several Counties of England and Wales, at the St. Alban's Tavern, on this day, for the purpose of drawing lots to determine the seniority of the Militia of the said Counties for this year only, the following numbers were drawn by the respective Lord Lieutenants attending, or by the person appointed for that purpose, viz.

Bedfordshire	—	No. 37	Northampton	—	No. 36
Berks	—	34	Northumberland	—	21
Bucks	—	10	Nottingham	—	42
Cambridge	—	31	Oxford	—	8
Chester	—	41	Salop	—	25
Cornwall	—	11	Somerfet	—	3
Cumberland	—	7	Southampton	—	1
Derby	—	14	Stafford	—	40
Devon	—	43	Suffolk	—	39
Dorset	—	30	Surrey	—	16
Durham	—	44	Suffex	—	27
Effex	—	17	Warwick	—	35
Gloucester	—	22	Westmoreland	—	24
Hereford	—	18	Worcester	—	29
Hertford	—	32	Wilts	—	19
Huntingdon	—	2	York, <i>West Riding</i>	—	4
Kent	—	12	— <i>North Riding</i>	—	13
Lancafter	—	38	— <i>East Riding</i>	—	9
Leicester	—	15			
Lincoln	—	23	Carmarthen	—	5
Middlesex	—	6	Denbigh	—	20
Monmouth	—	45	Glamorgan	—	33
Norfolk	—	28	Montgomery	—	26

As the highest number of either of the following Counties will make only two companies, which therefore cannot be a battalion, with a field officer, to go into camp, it was judged quite unnecessary that lots should be drawn for them, for any rank or precedence, viz. The
